COURSE CODE & NAME: CSA1003 Software Engineering

JIRA LINK: <https://aligetiakshaya8.atlassian.net/jira/software/c/projects/FRS/boards/69>

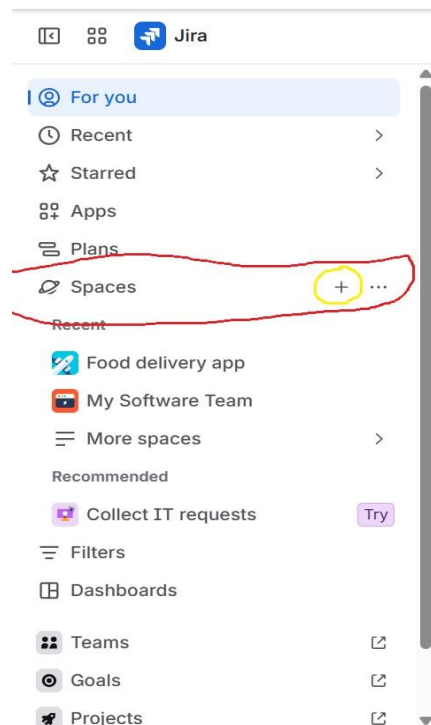

EXPERIMENT-1

Create a Kanban Board to Visualize the Tasks.

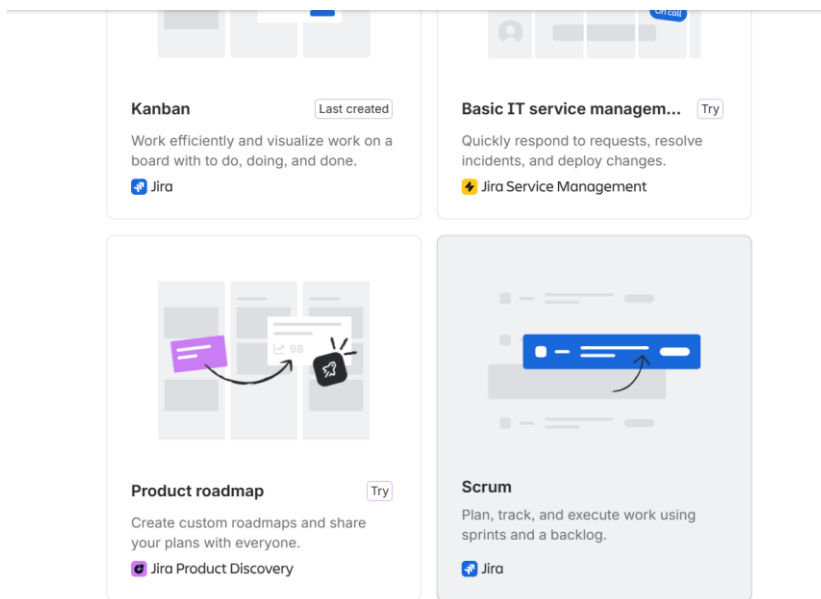

- **Create Columns for To Do, In-Progress and Done.**
- **Add Atleast 5 Sample Tasks**
- **Move the Tasks across the Columns to Simulate the Workflow.**

Step 1: Login jira

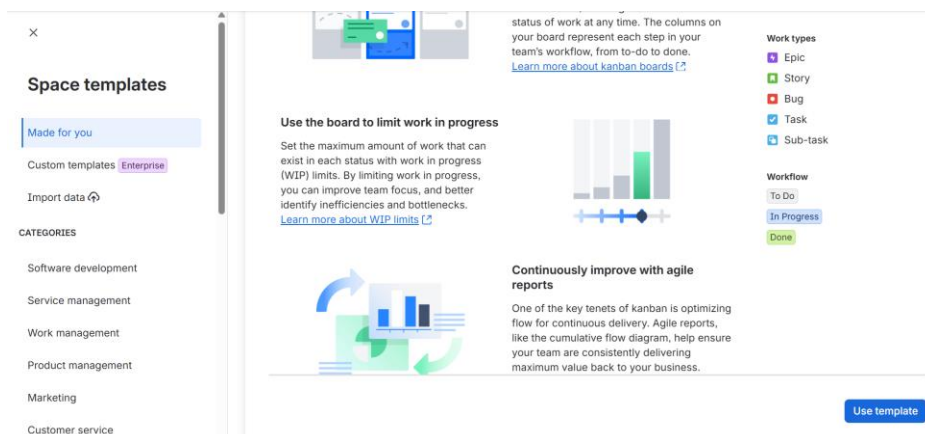

Step 2: Click on spaces which are on the left side of jira with symbol (+) where it creates a new space.

Step 3: We find different options scroll and search for kanban and select kanban.

Step 4: Use Template.

Step 5: Give any name for the space to be created , Select the managed space as company and Click on next.

← Back to templates

Name your space

Required fields are marked with an asterisk *

Name *

How your space is managed *

Company-managed

Role

Administrators

Step 2 of 2

I'll do this later

Next

Step 9: Kanban board is created with headings as backlog,selected for development,in progress,done.

Step 10: Now we can add a task and assign it to any of the teammates.

The screenshot shows the Jira interface for a Kanban board titled 'FRS board' under the space 'Food Reservation systems'. The board is organized into five columns: BACKLOG, SELECTED FOR DE..., IN PROGRESS, IN REVIEW, and DONE. Each column contains tasks with titles, IDs, and assignees. The 'BACKLOG' column has a task 'Joining of students' with ID 'FRS-4'. The 'SELECTED FOR DE...' column has a task 'assign experiments to students' with ID 'FRS-1'. The 'IN PROGRESS' column has a task 'create list of experiments' with ID 'FRS-2'. The 'IN REVIEW' column has a task 'testing the results' with ID 'FRS-3'. The 'DONE' column is currently empty. The left sidebar shows the navigation menu with options like 'For you', 'Recent', 'Starred', 'Apps', 'Plans', 'Spaces', and 'Dashboards'. The top bar includes a search bar, a '+ Create' button, and a 'See plans' button.
